

# PYROTECHNICS DISPLAY PERMIT

---

## FALCON FIRE DEPARTMENT

Falcon Fire Protection District  
7030 North Meridian Road  
Falcon, Colorado 80831

The following permit application serves as a means to obtain information about pyrotechnic materials that are discharged within the Falcon Fire Protection District. The information contained within this packet will be reviewed to ensure code compliance in accordance with the 2003 International Fire Code and the most recent version of NFPA 1123.

# PYROTECHNIC PERMIT APPLICATION

---

The following items shall be attached with the Pyrotechnic Permit Application:

- 1) Completed Falcon Fire Department Pyrotechnic Permit Application
  - 2) Copy of lease agreement or written permission from the land owner that approves that use of the land for the purpose of launching pyrotechnics
  - 3) Good Neighbor Agreement from all surrounding properties that lie within 2000 feet of the launch site.
  - 4) Copy of public liability insurance in the amount of \$1,000,000.00. The Falcon Fire Protection District shall be named as the beneficiary
  - 5) Copy of the Operator's License
  - 6) Copy of the invoice from the pyrotechnic supplier. This must indicate the number and amount, types and sizes of shells that will be fired
  - 7) Copy of the Alcohol Tobacco and Fire Arms (ATF) License
  - 8) Copy of Pyrotechnics Guild International Certificate which indicates that at least one on-site operator has successfully the Display Fireworks Shooters Safety Certification Program
  - 9) A letter from the pyrotechnic display company providing information on their personnel involved with the display, including their training, qualifications and applicable certifications
  - 10) The Pyrotechnic Shot Plan (included in this permit application)
    - a. Scaled Drawing
    - b. Indicate Set Backs
    - c. Property Lines
    - d. All Nearby Structures
    - e. Parking Areas
    - f. Spectator Areas
    - g. Security Fencing
    - h. Fire Suppression Equipment (Including Fire Extinguishers)
    - i. On-site Storage
    - j. Location of Mortars
    - k. No Smoking/Open Flame Signs
- 9) The Lead Shooter shall meet with a representative from the Falcon Fire Protection District at the display site after the permit application has been submitted, but at least 10-business days prior to the scheduled event.
